If you have a desire to get more involved in the barony, but you aren't sure how to go about it, we encourage you to come and listen in to learn more about volunteering opportunities.

## *From their Excellencies*

Unto the Wonderful Populace of Tir Ysgithr does Sim and Magdalen, Baron and Baroness Send Good Greetings, As we enter these Boar Days of Summer (Dog Days, just simply won't do for us!), we note that you, our good gentle Populace - are working on projects, spending time with our families, both those we were born to and those we have chosen, honing your skills on the practice fields, teaching and exhibiting arts and travelling throughout the Kingdom and the Known World.

We have travelled to the Lands of Twin Moons for their Birthday Celebration and their Middle East Feast. We witnessed the Investiture of our cousins to the North, Baron Angus and Baroness Katerina of Ered Sul. As His Excellency Simon travelled to the Barony of Granite Mountain, I travelled to our Southern neighbors, Mons Tonitrus. Although all of these locales are far from our Gem of Atenveldt, they are warm and welcoming gentles and as his Majesty has asked us before – we are ONE. The Kingdom of Atenveldt thrives and prospers.

This prosperity is in large part due to the great works of the People of Tir Ysgithr. As we have surely enjoyed the Summer we have already turned our sights to the coming Autumn where we are excited to witness the Prowess of our fighters at Knight Light, and the Wonders of the Ottoman Turks and the Mysteries of the Transylvanian Nobles at Southern Crusades. We look forward to events we shall host in the coming months and hope you all will join us in court.

Speaking of court, we have had great enjoyment from our Summer Court Nights and look forward to our last of the Summer on August 26, 2014, being A.S. 41 in the Common Reckoning.

Enjoy these last Boar Days of Summer, for the need to lay Siege to our Northern neighbors is coming due and we must not appear complacent or idle.

The image shows two handwritten signatures in black ink on a light green background. The signature on the left is 'Sim' and the signature on the right is 'Magdalen'. Both are written in a cursive, calligraphic style.
